AUTHORIZATION

I authorize the change of the information on my account as indicated above, and certify that all information contained on this form is true and accurate.

Signature: _____ Date: _____

**For a Commercial Account, an Account Update Form must be signed by the contact listed on the account. If there are multiple contacts listed, only one contact is required to sign the Account Update Form. If there are no contacts listed, or the contacted listed is unavailable, a letter requesting an update to the account must be submitted on business letterhead and signed by an officer of the company.*
