Responses to Questions from Vendors

Question 1

This is the first year I have noticed certain items only have the option to put pricing on LSGS composition column. Other items have Limestone Only and Slag Only. For items with an LSGS only, can we put a price in for material that will be 100% Limestone and meet the specification? All of our material is 100% Limestone. We do not mix Gravel, Sandstone, or Sand. I can not find anything on LSGS in the bid packets or Spec Book.

Answer 1

LSGS was a column bid on the prior stone solicitation pricing pages, however, modern commodity line entry in wvOASIS requires a slightly different Pricing Page set up. The contract items themselves did not change.

LSGS is an abbreviation used on the Pricing Pages and can be *Limestone, Sand, Gravel or Sandstone*. The note regarding LSGS at the bottom of the Pricing Pages has been revised in the REVISED ATT A Pricing Pages.

Question 2

Stone & Agg Material & Delivery to Non-Established Locations/ARFQ-0803-DOT2400000002-1 has a closing date of 7-26 but the others have a closing date of 7-27. I do not remember the time frame which it takes to process the submittals and post them, but I just wanted to warn you that the products amongst the different contracts are similar enough that it would be undesirable to display one bid result before the next bid takes place. I think in years past all 3 bid closing have coincided on the same day.

Answer 2

During fiscal year 2023 (August 2022):

- ARFQ DOT23*07 opened on 8/19
- CRFQ DOT23*16 opened on 8/17
- CRFQ DOT23*15 opened on 8/17

For fiscal year 2024 (current solicitation) we are only opening the bids one day apart. DOT tries to upload the bids within 1 business day.
