REQUEST FOR QUOTATION  
PO#012403910 WVDOH DIST 1 SECURITY SYSTEM with Installation FOR 0103  
BOONE COUNTY VARIOUS LOCATIONS.

---

SPECIFICATIONS

1. **PURPOSE AND SCOPE:** The West Virginia Purchasing Division is soliciting bids on behalf of West Virginia Division of Highways 1340 Smith St. Charleston WV, 25301 to establish a contract for the one-time purchase of security systems with installation for various locations for 0103 Boone Co.
  
2. **DEFINITIONS:** The terms listed below shall have the meanings assigned to them below. Additional definitions can be found in section 2 of the General Terms and Conditions.
  - 2.1 **“Contract Item”** means as more fully described by these specifications.
  
  - 2.2 **“Pricing Page”** means the pages for a security system contained in wvOASIS or attached as Exhibit A, upon which Vendor should list its proposed price for the Contract Items.
  
  - 2.3 **“Solicitation”** means the official notice of an opportunity to supply the State with goods or services that is published by the Purchasing Division.
  
3. **GENERAL REQUIREMENTS:**
  - 3.1 **Mandatory Contract Item Requirements:** Contract Item must meet or exceed the mandatory requirements listed below.
    - 3.1.1.1 Three security systems with equipment and labor.
  
    - 3.1.1.2 Installation of hard drive storage, 5mp white light cameras, power supply, monitors, lock box, and networking.
  
4. **CONTRACT AWARD:**
  - 4.1 **Contract Award:** The Contract is intended to provide Agencies with a purchase price for the Contract Items. The Contract shall be awarded to the

REQUEST FOR QUOTATION  
PO#012403910 WVDOH DIST 1 SECURITY SYSTEM with Installation FOR 0103  
BOONE COUNTY VARIOUS LOCATIONS.

---

Vendor that provides the Contract Items meeting the required specifications for the lowest overall total cost as shown on the Pricing Pages.

**4.2 Pricing Page:** Vendor should complete the Pricing Page by unit cost and final cost. Vendor should complete the Pricing Page in full as failure to complete the Pricing Page in its entirety may result in Vendor's bid being disqualified.

Vendor should type or electronically enter the information into the Pricing Page to prevent errors in the evaluation.

**5. PAYMENT:**

**5.1 Payment:** Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia.

**6. DELIVERY AND RETURN:**

**6.1 Shipment and Delivery:** Vendor shall ship the Contract Items immediately after being awarded this Contract and receiving a purchase order or notice to proceed. Vendor shall deliver the Contract Items within 30 working days after receiving a purchase order or notice to proceed. Contract Items must be delivered to Agency at WVDOH Dist. 1 Boone Co. Headquarters 203 DOH Garage Road, Danville WV 25053.

**6.2 Late Delivery:** The Agency placing the order under this Contract must be notified in writing if the shipment of the Contract Items will be delayed for any reason. Any delay in delivery that could cause harm to an Agency will be grounds for cancellation of the Contract, and/or obtaining the Contract Items from a third party.

Any Agency seeking to obtain the Contract Items from a third party under this provision must first obtain approval of the Purchasing Division.

**6.3 Delivery Payment/Risk of Loss:** Vendor shall deliver the Contract Items F.O.B. destination to the Agency's location.

**6.4 Return of Unacceptable Items:** If the Agency deems the Contract Items to be unacceptable, the Contract Items shall be returned to Vendor at Vendor's expense and with no restocking charge. Vendor shall either make arrangements for the return within five (5) days of being notified that items are unacceptable, or permit the Agency to arrange for the return and reimburse Agency for delivery expenses.

REQUEST FOR QUOTATION  
PO#012403910 WVDOH DIST 1 SECURITY SYSTEM with Installation FOR 0103  
BOONE COUNTY VARIOUS LOCATIONS.

---

If the original packaging cannot be utilized for the return, Vendor will supply the Agency with appropriate return packaging upon request. All returns of unacceptable items shall be F.O.B. the Agency's location. The returned product shall either be replaced, or the Agency shall receive a full credit or refund for the purchase price, at the Agency's discretion.

- 6.5 Return Due to Agency Error:** Items ordered in error by the Agency will be returned for credit within 30 days of receipt, F.O.B. Vendor's location. Vendor shall not charge a restocking fee if returned products are in a resalable condition. Items shall be deemed to be in a resalable condition if they are unused and in the original packaging. Any restocking fee for items not in a resalable condition shall be the lower of the Vendor's customary restocking fee or 5% of the total invoiced value of the returned items.

**7 VENDOR DEFAULT:**

**7.1** The following shall be considered a vendor default under this Contract.

- 7.1.1 Failure to provide Contract Items in accordance with the requirements contained herein.
- 7.1.2 Failure to comply with other specifications and requirements contained herein.
- 7.1.3 Failure to comply with any laws, rules, and ordinances applicable to the Contract Services provided under this Contract.
- 7.1.4 Failure to remedy deficient performance upon request.

**7.2** The following remedies shall be available to Agency upon default.

- 7.2.1 Immediate cancellation of the Contract.
- 7.2.2 Immediate cancellation of one or more release orders issued under this Contract.
- 7.2.3 Any other remedies available in law or equity.

## ADDITIONAL TERMS AND CONDITIONS (Construction Contracts Only)

**1. CONTRACTOR'S LICENSE:** West Virginia Code § 30-42-2 requires that all persons desiring to perform contracting work in this state be licensed. The West Virginia Contractors Licensing Board is empowered to issue the contractor's license. Applications for a contractor's license may be made by contacting the West Virginia Contractor Licensing Board. The apparent successful Vendor must furnish a copy of its contractor's license prior to the issuance of a contract award document

**2. BONDS:** The following bonds must be submitted if the Contract exceeds \$25,000:

**BID BOND:** Pursuant to the requirements contained in W. Va. Code § 5-22-1(c), All Vendors submitting a bid on a construction project shall furnish a valid bid bond in the amount of five percent (5%) of the total amount of the bid protecting the State of West Virginia. **THE BID BOND MUST BE SUBMITTED WITH THE BID OR VENDOR'S BID WILL BE DISQUALIFIED.**

**PERFORMANCE BOND:** The apparent successful Vendor shall provide a performance bond in the amount of 100% of the contract. The performance bond must be received by the Agency prior to Contract award.

**LABOR/MATERIAL PAYMENT BOND:** The apparent successful Vendor shall provide a labor/material payment bond in the amount of 100% of the Contract value. The labor/material payment bond must be delivered to the Agency prior to Contract award.

**MAINTENANCE BOND:** The apparent successful Vendor shall provide a two (2) year maintenance bond covering the roofing system if the work impacts an existing roof. The amount of the bond must be equal to the price associated with the percentage of the project impacting the roof. The maintenance bond must be issued and delivered to the Purchasing Division prior to Contract award.

At a minimum, all construction projects require a bid bond, performance bond, and labor/material payment bond. Failure on the part of the state of West Virginia to checkmark the required bonds above does not relieve the vendor from the legal requirement of providing these bonds.

In lieu of the Bid Bond, the Vendor may provide certified checks, cashier's checks, or irrevocable letters of credit. Any certified check, cashier's check, or irrevocable letter of credit provided in lieu of the bid bond must be of the same amount required of the Bid Bond and delivered with the bid.

**3. AIA DOCUMENTS:** All construction contracts that will be completed in conjunction with architectural services procured under Chapter 5G of the West Virginia Code will be governed by the attached AIA documents, as amended by the Supplementary Conditions for the State of West Virginia, in addition to the terms and conditions contained herein.

**4. PROHIBITION AGAINST GENERAL CONDITIONS:** Notwithstanding anything contained in the AIA Documents or the Supplementary Conditions, the State of West Virginia will not pay for general conditions, or winter conditions, or any other condition representing a delay in the contract. The Vendor is expected to mitigate delay costs to the greatest extent possible and any costs associated with Delays must be specifically and concretely identified. The state will not consider an average daily rate multiplied by the number of days extended to be an acceptable charge.

**5. GREEN BUILDINGS MINIMUM ENERGY STANDARDS:** In accordance with § 22-29-4, all new building construction projects of public agencies that have not entered the schematic design phase prior to July 1, 2012, or any building construction project receiving state grant funds and appropriations, including public schools, that have not entered the schematic design phase prior to July 1, 2012, shall be designed and constructed complying with the ICC International Energy Conservation Code, adopted by the State Fire Commission, and the ANSI/ASHRAE/IESNA Standard 90.1-2007: Provided, That if any construction project has a commitment of federal funds to pay for a portion of such project, this provision shall only apply to the extent such standards are consistent with the federal standards.

**6. DAVIS-BACON AND RELATED ACT WAGE RATES:**

The work performed under this contract is federally funded in whole, or in part. Pursuant to \_\_\_\_\_, Vendors are required to pay applicable Davis-Bacon wage rates.

The work performed under this contract is not subject to Davis-Bacon wage rates.

**DESIGNATED CONTACT:** Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

**CERTIFICATION AND SIGNATURE:** By signing below, or submitting documentation through wvOASIS, I certify that I have reviewed this Solicitation in its entirety; that I understand the requirements, terms and conditions, and other information contained herein; that this bid, offer or proposal constitutes an offer to the State that cannot be unilaterally withdrawn; that the product or service proposed meets the mandatory requirements contained in the Solicitation for that product or service, unless otherwise stated herein; that the Vendor accepts the terms and conditions contained in the Solicitation, unless otherwise stated herein; that I am submitting this bid, offer or proposal for review and consideration; ; that this bid or offer was made without prior understanding, agreement, or connection with any entity submitting a bid or offer for the same material, supplies, equipment or services; that this bid or offer is in all respects fair and without collusion or fraud; that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; that I am authorized by the Vendor to execute and submit this bid, offer, or proposal, or any documents related thereto on Vendor's behalf; that I am authorized to bind the vendor in a contractual relationship; and that to the best of my knowledge, the Vendor has properly registered with any State agency that may require registration.

By signing below, I further certify that I understand this Contract is subject to the provisions of West Virginia Code § 5A-3-62, which automatically voids certain contract clauses that violate State law.

**Supply and Materials Availability Disclaimer**

***Please be aware that Camel Technologies, LLC is currently experiencing an unprecedented increase of delays in receiving necessary components and materials from our suppliers required to complete new projects. We continue to be as diligent as possible in securing all such components necessary for Projects such as yours as itemized within this Proposal. We welcome the opportunity to accommodate you as quickly as possible, however, Proposals are processed in the order they are accepted from Customers with CAMEL having no control over the manufacturing process or shipping delays being experienced within our Industry.***

***By agreeing to this Proposal, you are acknowledging an understanding and acceptance of the information provided within this disclaimer.***

***We appreciate your understanding of delay times for our Industry and country.***

**Change Orders:** The owner/contractor shall not give instruction or orders direct to employees or agents of CAMEL Technologies except by signed change order, Request to CAMEL Technologies to perform extra or additional work must be made by change order and be signed by owner/contractor authorized to do so and the additional cost occasioned thereby shall be paid by the owner/contractor as an extra amount without retention per terms of the agreement. Change orders will be verified for proper authority prior to the order of materials or scheduling of work.

**Delays in work:** In the event CAMEL Technologies is delayed in the progress of work due to accidents, embargoes, fires, weather conditions, delays in transportation, shortages of energy, inability of manufacturers of materials to furnish these products in accordance with estimated schedules, shortage of raw materials, act of God, government action, armed conflict, riot, civil disorders, then the time for completion of work shall be extended by the amount of time CAMEL Technologies is so delayed.

**Guarantee of work:** CAMEL Technologies guarantees all of its work against defective material and workmanship for a period of 90 Days from the date of completion of its work. This guarantee does not cover replacement or repair of materials due to accidental or intentional damage or normal wear and tear.

**Ownership and protection of equipment:** The entire system is and shall at all times remain the sole property of CAMEL Technologies until paid for in full. You hereby agree to protect the system and to indemnify and pay to CAMEL Technologies the cost of repair or replacement for any loss or damage to system, including but not limited to loss by fire, earthquake, riot, flood or other loss. In the event of any termination of this agreement, you agree to allow CAMEL Technologies; its employees and/or agent's permission to enter the premises where the system is located to remove all or part of the system at the discretion of CAMEL Technologies.

**Costs and attorney's fees:** In the event that it shall become necessary for CAMEL Technologies to employ a collection agency or institute legal proceedings to collect unpaid charges or any other sums you may owe hereunder, you shall be liable to CAMEL Technologies for reasonable and necessary costs of collection and attorney's fees incurred in prosecuting such action. In the event of any other legal proceeding related to this agreement, the prevailing party in such proceeding shall be entitled to recover its costs and attorney's fees from the other party.

**Partial invalidity; performance and venue; governing law:** If any provision of this agreement is invalid, unenforceable, void or avoidable, that will not affect the remainder of this agreement. This agreement is performable in Boone County, West Virginia. This agreement shall be governed by and interpreted in accordance with the laws of the state of West Virginia, County of Boone.

**Job scheduling:** Estimated equipment delivery will be 5-10 days from receipt in our office of this proposal signed as a contract for work. Job completion will be scheduled based on equipment arrival and job site stage of completion.

**Supply and Materials Availability Disclaimer**

*Please be aware that Camel Technologies, LLC is currently experiencing an unprecedented increase of delays in receiving necessary components and materials from our suppliers required to complete new projects. We*

*continue to be as diligent as possible in securing all such components necessary for Projects such as yours as itemized within this Proposal. We welcome the opportunity to accommodate you as quickly as possible, however, Proposals are processed in the order they are accepted from Customers with CAMEL having no control over the manufacturing process or shipping delays being experienced within our Industry.*

*By agreeing to this Proposal, you are acknowledging an understanding and acceptance of the information provided within this disclaimer.*

*We appreciate your understanding of delay times for our Industry and country.*

**Change Orders:** The owner/contractor shall not give instruction or orders direct to employees or agents of CAMEL Technologies except by signed change order, Request to CAMEL Technologies to perform extra or additional work must be made by change order and be signed by owner/contractor authorized to do so and the additional cost occasioned thereby shall be paid by the owner/contractor as an extra amount without retention per terms of the agreement. Change orders will be verified for proper authority prior to the order of materials or scheduling of work.

**Delays in work:** In the event CAMEL Technologies is delayed in the progress of work due to accidents, embargoes, fires, weather conditions, delays in transportation, shortages of energy, inability of manufacturers of materials to furnish these products in accordance with estimated schedules, shortage of raw materials, act of God, government action, armed conflict, riot, civil disorders, then the time for completion of work shall be extended by the amount of time CAMEL Technologies is so delayed.

**Guarantee of work:** CAMEL Technologies guarantees all of its work against defective material and workmanship for a period of 90 Days from the date of completion of its work. This guarantee does not cover replacement or repair of materials due to accidental or intentional damage or normal wear and tear.

**Ownership and protection of equipment:** The entire system is and shall at all times remain the sole property of CAMEL Technologies until paid for in full. You hereby agree to protect the system and to indemnify and pay to CAMEL Technologies the cost of repair or replacement for any loss or damage to system, including but not limited to loss by fire, earthquake, riot, flood or other loss. In the event of any termination of this agreement, you agree to allow CAMEL Technologies; its employees and/or agent's permission to enter the premises where the system is located to remove all or part of the system at the discretion of CAMEL Technologies.

**Costs and attorney's fees:** In the event that it shall become necessary for CAMEL Technologies to employ a collection agency or institute legal proceedings to collect unpaid charges or any other sums you may owe hereunder, you shall be liable to CAMEL Technologies for reasonable and necessary costs of collection and attorney's fees incurred in prosecuting such action. In the event of any other legal proceeding related to this agreement, the prevailing party in such proceeding shall be entitled to recover its costs and attorney's fees from the other party.

**Partial invalidity; performance and venue; governing law:** If any provision of this agreement is invalid, unenforceable, void or avoidable, that will not affect the remainder of this agreement. This agreement is performable in Boone County, West Virginia. This agreement shall be governed by and interpreted in accordance with the laws of the state of West Virginia, County of Boone.

**Job scheduling:** Estimated equipment delivery will be 5-10 days from receipt in our office of this proposal signed as a contract for work. Job completion will be scheduled based on equipment arrival and job site stage of completion.

**Intrusion Security and CCTV**

**Mr. Jerry D. Rush:**

This proposal is based on a Pre-Bid Site Visit to the above referenced facility to determine the intrusion and CCTV design required to install the intrusion alarm and CCTV for the facility based on the level of intrusion system and monitoring needed for the business. The intrusion alarm and CCTV system design can be enhanced in many ways to increase the coverage or features needed now or in the future. We have included a list of options available for your consideration.

**SCOPE OF WORK:** Install control panel in secure location. Receiver, GSM and KP near entry. Install devices per quote and program. Test, send signals and verify. Set up TC2.0 and train. CCTV shall be installed for camera directional views as per Tim Baker. Hub will be Gary's Office. Set up and train.

September 14, 2023

Mr. Jerry D. Rush, Procurement Officer

West Virginia Division of Highways

Building 5, RM A-317

1900 Kanawha Blvd. E

Charleston, WV 25305

RE: Proc Folder: 1270578; Doc Description: PO#012403910 WVDOH DIST 1 BOONE CO.

Mr. Rush:

We are very pleased to submit to the WV Division of Highways the enclosed Proposal (by location) in response to your RFP to provide Security Systems as described within the Scope of Work. The enclosed Documents detail our proposed approach to the Project to address the informational requirements as set forth within the RFP. **In addition, we are pleased to advise you that our cost for the Project in its entirety is less than \$25,000.00 grand total. Therefore bond(s) are not submitted.**

With over three decades of experience, CAMEL Technologies LLC has the in-depth knowledge and experience to undertake this initiative on behalf of the WV Division of Highways. We pledge to complete it effectively, on time and on budget. Our staff consists of trained/certified Technicians with over seven decades of combined experience in installation of the equipment and systems proposed herein.

We employ local workers that reside within the general community of the planned job sites. These workers have children that attend local schools and contribute to the local economy and volunteer within the community.

We are pleased to convey that CAMEL utilizes domestic partners for components, materials, and supplies to the extent possible.

Thank you for the opportunity to submit our Proposal for your consideration.

Ronald McVey, Owner/President
