A Vendor may be required to provide document passwords or removed access restrictions to allow the Agency to print or electronically save documents provided that those documents are viewable by the Agency prior to obtaining the password or removing the access restriction.

All submissions are subject to public disclosure without notice.

**31. **35. INDEMNIFICATION:** The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.

**36. NO DEBT CERTIFICATION:** In accordance with West Virginia Code §§ 5A-3-10a and 5-22-1(i), the State is prohibited from awarding a contract to any bidder that owes a debt to the State or a political subdivision of the State. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. **39. BACKGROUND CHECK:** In accordance with W. Va. Code § 15-2D-3, the State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check. Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

**40. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS:** Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.

b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open hearth, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:

c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or

d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

**41. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:** In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the

item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

**42. PROHIBITION AGAINST USED OR REFURBISHED:** Unless expressly permitted in the solicitation published by the State, Vendor must provide new, unused commodities, and is prohibited from supplying used or refurbished commodities, in fulfilling its responsibilities under this Contract.

**43. VOID CONTRACT CLAUSES** – This Contract is subject to the provisions of West Virginia Code § 5A-3-62, which automatically voids certain contract clauses that violate State law.

## ADDITIONAL TERMS AND CONDITIONS (Construction Contracts Only)

**BID BOND:** Pursuant to the requirements contained in W. Va. Code § 5-22-1(c), All Vendors submitting a bid on a construction project shall furnish a valid bid bond in the amount of five percent (5%) of the total amount of the bid protecting the State of West Virginia. **THE BID BOND MUST BE SUBMITTED WITH THE BID OR VENDOR'S BID WILL BE DISQUALIFIED.**

**PERFORMANCE BOND:** The apparent successful Vendor shall provide a performance bond in the amount of 100% of the contract. The performance bond must be received by the Agency prior to Contract award.

The maintenance bond must be issued and delivered to the Purchasing Division prior to Contract award.

At a minimum, all construction projects require a bid bond, performance bond, and labor/material payment bond. Failure on the part of the state of West Virginia to checkmark the required bonds above does not relieve the vendor from the legal requirement of providing these bonds.

In lieu of the Bid Bond, the Vendor may provide certified checks, cashier's checks, or irrevocable letters of credit. Any certified check, cashier's check, or irrevocable letter of credit provided in lieu of the bid bond must be of the same amount required of the Bid Bond and delivered with the bid.

**4. PROHIBITION AGAINST GENERAL CONDITIONS:** Notwithstanding anything contained in the AIA Documents or the Supplementary Conditions, the State of West Virginia will not pay for general conditions, or winter conditions, or any other condition representing a delay in the contract. The Vendor is expected to mitigate delay costs to the greatest extent possible and any costs associated with Delays must be specifically and concretely identified. The state will not consider an average daily rate multiplied by the number of days extended to be an acceptable charge.

**5. GREEN BUILDINGS MINIMUM ENERGY STANDARDS:** In accordance with § 22-29-4, all new building construction projects of public agencies that have not entered the schematic design phase prior to July 1, 2012, or any building construction project receiving state grant funds and appropriations, including public schools, that have not entered the schematic design phase prior to July 1, 2012, shall be designed and constructed complying with the ICC International Energy Conservation Code, adopted by the State Fire Commission, and the ANSI/ASHRAE/IESNA Standard 90.1-2007: Provided, That if any construction project has a commitment of federal funds to pay for a portion of such project, this provision shall only apply to the extent such standards are consistent with the federal standards.

The Architect/Engineer shall prepare any addendum materials for which it is responsible, and a list of all vendors that have obtained drawings and specifications for the project. The Architect/Engineer shall then send a copy of the addendum materials and the list of vendors to the State Agency for which the contract is issued to allow the Agency to make any necessary modifications. **5. GREEN BUILDINGS MINIMUM ENERGY STANDARDS:** In accordance with West Virginia Code § 22-29-4, all new building construction projects of public agencies that have not entered the schematic design phase prior to July 1, 2012, or any building construction project receiving state grant funds and appropriations, including public schools, that have not entered the schematic design phase prior to July 1, 2012, shall be designed and constructed complying with the ICC International Energy Conservation Code, adopted by the State Fire Commission, and the ANSI/ASHRAE/IESNA Standard 90.1-2007: Provided, That if any construction project has a commitment of federal funds to pay for a portion of such project, this provision shall only apply to the extent such standards are consistent with the federal standards.

# GENERAL INDEMNITY AGREEMENT

The UNDERSIGNED PRINCIPAL AND INDEMNITOR(S) (hereafter referred to as the "Undersigned") represent that the statements set forth in the foregoing application are true, and are made for the purpose of inducing THE CINCINNATI INSURANCE COMPANY, an Ohio corporation (hereinafter referred to as the "Surety") to become surety on the Bond or Bonds outlined in the BOND INFORMATION above and all subsequent Bonds applied for and provided by the Surety and in consideration of its so doing, HEREBY JOINTLY AND SEVERALLY COVENANT AND AGREE with the Surety, its successors and assigns, as to said Bond or Bonds heretofore or hereafter executed or procured for or at the request of the Undersigned.

The Undersigned expressly authorizes the Surety to access their personal credit reports and credit history as well as make such pertinent inquiries as may be necessary from third party sources to: (A) verify information supplied to the Surety, (B) properly underwrite the risk(s), (C) investigate upon receipt of a Notice of Claim or potential claim under any Bond, and/or (D) any other time deemed justifiable by the Surety.

**DEFINITIONS:** Throughout this document, the term "Agreement" shall mean this binding contract document and all documents comprised of the contract documents, including general and special conditions, specifications and drawings. The word "Bond" shall mean a contract of suretyship, guaranty or indemnity, an agreement or consent to provide such a contract, and the continuation, extension, alterations, renewal or substitution of such a contract, agreement or consent. As used in this Agreement, words in the singular include the plural and words in the plural include the singular. The masculine pronoun shall be read as feminine or neuter as circumstances require. "Undersigned" shall mean and include all associated individuals, sole proprietorships, partnerships, corporations and/or associations represented.

**TERMS & CONDITIONS:** The Undersigned agrees to:

(a) Indemnify the Surety and hold it harmless from and against any and all liability, losses, costs, damages, attorneys' fees, disbursements and expenses of whatever kind or nature which the Surety may sustain or incur by reason or in consequence of having executed or procured the execution of the Bond or Bonds aforementioned and/or which the Surety may sustain or incur in making any investigation, in settling any claims or in defending or prosecuting any actions, suits or other proceedings which may be made or brought under or in connection therewith, and/or in recovering or attempting to recover salvage or any unpaid Bond premium, in obtaining or attempting to obtain release from liability, or in enforcing any of the covenants of this Agreement. The Undersigned will pay over, reimburse and make good to the Surety, its successors or assigns, all money which the Surety or its representatives shall pay, or cause to be paid or become liable to pay, by reason of the execution of any such Bond or Bonds, such payment to be made to the Surety as soon as it shall become liable, whether the Surety shall have paid out such sum or any part thereof, or not.

(b) Pay to the Surety when due, all premiums and charges of the Surety for the Bonds in accordance with its rate filings, its manual of rate, or as may be agreed. Premiums calculations shall be based on the Contract Price as stated in the Contract Bond Application and shall be adjusted accordingly based on the final Contract Price as Stated in the Contract Bond Application.

Surety shall have the right to handle or settle any claim or suit arising out of or related to either or both any Bond and/or this Agreement. An itemized statement of loss and expense incurred by the Surety, sworn to by an officer of the Surety, shall be prima facie evidence of the facts and extent of the Undersigned's liability under this Agreement. Separate suits may be brought on this Agreement against any or all of the Undersigned, and the bringing of a suit or the recovery of a judgment upon any cause of action shall not prejudice nor bar the bringing of other suits upon other causes of action whether therefore or thereafter arising. The Surety is expressly authorized to settle any claim based upon this Agreement with any one or more of the Undersigned individually, and such settlement or compromise shall not affect the liability of any of the rest of the Undersigned.

If the Surety receives a performance Bond or payment Bond claim or demand for which the Surety has contingent liability for losses, costs, attorney fees and disbursements and/or expenses in connection with such claims, the Undersigned shall, upon demand of the Surety, and regardless of any proceedings contemplated or taken by the Undersigned or the pendency of any appeal, deposit with the Surety cash or other agreed upon collateral in an amount determined by the Surety to be sufficient to cover the claim or demand and interest thereon. These funds shall be held by the Surety as collateral, in addition to the indemnity afforded by this Agreement, with the right to use such funds or any part thereof, at any time, in payment or compromise of any judgment, claims, liability loss, damage, attorneys' fees and disbursements or other expenses; and if the Surety is required to enforce performance of this covenant by action at law or in equity, the costs, charges, and expenses, including attorneys' fees, which it may thereby incur, shall be included in such action and paid by the Undersigned. Demand shall be sufficient if sent by registered mail to the Undersigned at the address given herein or last known to the Surety.

The liability of the Undersigned hereunder shall not be affected by the failure to sign any such Bond, nor by any claim that other indemnity or security was to have been obtained, nor by the release of any indemnity, or the return or exchange of any collateral that may have been obtained. If any party signing this Agreement is not bound for any reason, this Agreement shall still be binding upon each and every other party. The Surety may decline to execute any Bond or amend any Bond without cause and without any liability which might arise there from.

Undersigned may terminate liability to the Surety under this Agreement by sending Registered or Certified Mail to the Surety, attention BOND DEPARTMENT, at its Home Office, P.O. Box 145496, Cincinnati, Ohio, 45250-5496. But any such notice of termination shall not operate to modify, bar, discharge, limit, affect, or impair the obligations of the Undersigned under this Agreement with respect to Bonds which are executed prior to such termination or with respect to Bonds executed after the date of such termination: (i) upon the award of a contract to the Undersigned on a bid or proposal with respect to which the Surety has executed a bid or a proposal Bond or a similar undertaking prior to such date; or (ii) for which the Surety has become obligated, prior to such date, to execute. Further, such notice of termination shall operate only with respect to those of the Undersigned upon whose behalf such notice of termination shall have been given.

The partial or complete invalidity of any one or more provisions of this Agreement shall not affect the validity or continuing force and effect of any other provision. A facsimile of this Agreement shall be considered an original and shall be admissible in a court of law to the same extent as an original signed copy. This Agreement shall be governed by the laws of the State of Ohio, with proper venue being Butler County.
