NOTICE

To Whom It May Concern:

Error on West Virginia Oversize/Overweight Blanket Permits

It has come to our attention that some of the Oversize/Overweight Blanket Permits recently issued by our Central Permit Office have incorrect limits listed for axle weights allowable under the Blanket Permit. This is a software issue and our software contractor expects to have this corrected shortly.

In the meanwhile, please be advised that the axle weight limits for the Oversize/Overweight Blanket Permit are as follows.

28,000 pounds single
45,000 pounds tandem
50,000 pounds tri

We apologize for this error and request that you honor the limits listed on this letter, regardless of what is actually printed on the permits. Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Kyle Stollings".
