- INSTRUCTIONS -
Preliminary Interest Application

Your organization must obtain at least 250 preliminary interest applications before the Division of Motor Vehicles may begin the design and production of the license plate. This is why you are being asked to complete this application.

1. Please complete Part 1 of the application. The vehicle on which the plate will be placed must be a Class A (passenger car or truck-10000 lbs. or less) vehicle. The vehicle must be currently titled in West Virginia. Leased vehicles are eligible for this plate.
2. There are no restrictions on the number of special license plates you may obtain.
3. The application fee is \$91.50. Payment may be made by visiting _____
or by mailing payment to _____.
If writing a check, please make it payable to _____.
4. The \$91.50 fee will cover the cost of the license plate for the first year or portion of the first year. These plates will expire July 1 of each year. This is a flat fee for all applicants and is not prorated. This initial application process is only to determine whether or not your organization has the minimum level of interest to pursue the design and manufacturing of the new license plate. Please continue to renew your present license plate during this process.
5. DMV will mail you a renewal notice, and your renewal will be processed by DMV. Your organization is not involved in the renewal process. The renewal fee will be \$66.50 per year.
6. Your organization must submit the minimum number of 250 applications along with the fees to DMV by _____. If your organization fails to submit at least 250 applications by that date, the legislative authorization to issue the special license plate expires and your organization must refund your fee to you.
7. Please submit your application and payment to your organization as soon as possible. The sooner your organization meets the minimum number of applications, the sooner DMV can begin the design and production of your new license plate.
8. Please call your organization if you have any questions.
9. You can submit your application and payment to :
