## Knighton, Travis W

From:

Watterson, Ernie P

Sent:

Friday, March 22, 2019 12:16 PM

To:

Knighton, Travis W

Subject:

**RE:** Governors Initiative

Prioritizing at this time and should be finished shortly.

Manpower and equipment needs:

Single and tandem axle trucks, Excavator, paving machine like lee boy, Bucket truck for cutting limbs, we need to speed up the process for posting and hiring. We will need extra crew cabs to haul people with we have summer help coming soon and not enough vehicles to haul them to job sites.

Thanks

Ernie

**Subject:** Governors Initiative

I still need the following from the individual Orgs:

Boone – List of Equipment and man power needed

Clay - Priority List

North Charleston - Priority List

Elkview – Priority List and List of Equipment and man power needed

Chelyan - Done

St. Albans - List of Equipment and man power needed

Mason - Updated Priority List and List of Equipment and man power needed

Putnam - Done

If you have previously submitted the requested information, I apologize that I missed it but please resend it to me.

Thanks,

Travis Knighton, P.E.
District One Engineer
1340 Smith Street
Charleston, WV 25301
