West Virginia Parkways Authority

ADDENDUM #1

March 2, 2017

RFQ: 1 Ton Dual Wheel 4x2 Crew Cab/Chassis

Bid Opening Date: March 21st, 2017

Procurement Specifications on page 6 show the following and there is no change to these specs.

6.0.18 Largest V-8 gasoline engine that manufacturer offers

6.0.19 Largest diesel engine that manufacturer offers

Addendum issued to clarify that we would like the option to receive quotes from Vendors for both gasoline and or diesel engines as part of this RFQ. Please see clarification below for 1.0 Purpose, revised to add we are requesting a price for a gasoline engine and or a diesel engine and also submit the revised bid submission page along with this signed addendum.

1.0 PURPOSE

These specifications describes a 1 ton dual wheel 4X2 Crew Cab/Chassis truck, (hereinafter referred to as "unit") to be purchased by the West Virginia Parkways Authority (hereafter referred to as “Authority”); define the provisions to be contained in proposals for the sale of said unit to the Authority; establish an enforceable schedule for delivery; and establish criteria for gauging the compliance of the bidder to these specifications. We are requesting a price for a gasoline engine and a diesel engine.
