- TIGER Grants

The background of the slide is a solid dark blue color. In the center, the word "Methodology" is written in a large, white, sans-serif font. Behind the text, there is a faint, light blue watermark. This watermark consists of the circular seal of the University of Virginia, which features a central figure holding a staff and a book, surrounded by the Latin motto "VERITAS LIBERABIT VOS". Overlaid on the seal is a map of the state of Virginia, showing its geographical outline and major rivers.
