PLANNING CONFERENCE 2014

WVDOT / FHWA / MPO

Welcome to the historic Blennerhassett Hotel and the Annual WVDOT/FHWA/MPO Planning Conference! It's difficult to believe, but this is our tenth consecutive conference. This year's event is being hosted by the Wood-Washington-Wirt Interstate Planning Commission, which also hosted our first three conferences, from 2005 through 2007. The 2014 Committee has worked very hard to assemble what should be an interesting, relevant, and informative conference, and we hope you'll agree that it's been worth your time to attend. We also hope that you'll participate in the morning and evening activities we've organized for this year, and that you'll let us know what we can do to improve our conference for next year.

Please enjoy the conference. We're already looking ahead to next year's event and will announce the location and schedule as soon as arrangements are finalized.
