

PROCEDURES FOR DESIGNATION OF ADDITIONAL  
COAL RESOURCE TRANSPORTATION ROAD SYSTEM (CRTS)  
ROUTES IN THE FOLLOWING COUNTIES: BOONE, FAYETTE, LINCOLN,  
LOGAN, McDOWELL, MERCER, MINGO, RALEIGH, WAYNE, AND WYOMING

1. Applicant shall submit an application and fee to the Commissioner of Highways. The Division of Highways (DOH) shall conduct and engineering evaluation of the roads and bridges.
2. Upon completion of the DOH evaluation, a public meeting may be held. This is at the discretion of the DOH.
3. The DOH shall notify the applicant of a decision. If appropriate, the DOH shall prepare an agreement between the applicant and the DOH stipulating any conditions for addition of the route(s).
