Subject: Fiscal Year 2019-2022 Transportation Improvement
Program

Date: NOV 14 2018

From: Mr. Kurt A. Dowden 
Chief of Business Operations, EFLHD

In Reply Refer To: HFPP-15

To: Mr. Edward Stephen
Division Administrator

The Eastern Federal Lands Highway Division (EFLHD) has developed the attached FY 2019-2022 Transportation Improvement Program (TIP) to describe those transportation projects that will be primarily implemented within the boundaries of the Federal Land Management Agency (FLMA) units located in your state. The Federal requirement under Title 23 U.S.C. § 204 requires that the TIP be developed as part of the transportation planning process for all Federal Lands projects.

The attached spreadsheet contains an overall list of the projects in your State that are currently programmed to be funded through the Federal Lands Transportation Program (FLTP), the Federal Lands Access Program (FLAP), or funds directly managed by the various FLMA partners. This list will soon be placed on the EFLHD website (<https://flh.fhwa.dot.gov/programs/flpp/tip/efl.htm>) to provide an easily accessible reference and information for citizens, affected public agencies, transportation agencies, private providers of transportation, and other interested parties.

Through this transmittal, we are seeking your assistance in transmitting the EFLHD's FY2019-FY2022 TIP to your State Department of Transportation for inclusion (*preferably as an appendix*) into their Statewide Transportation Improvement Program (STIP) and to applicable Metropolitan Planning Organizations (MPO) for inclusion into their respective Transportation Improvement Programs (TIPs). If you have any questions or comments regarding the contents of this EFLHD TIP, please contact Mr. Lewis Grimm, Planning Team Leader, at (703) 404-6289 or Lewis.Grimm@dot.gov.

Thank you for your assistance.

HDA-WV

The Eastern Federal Lands Highway Division (EFLHD) has developed a Mid-Year Update for the FY 2019-2022 Transportation Improvement Program (TIP) for transportation projects within Federal Lands. The Federal requirement under Title 23 U.S.C. § 204 requires that the TIP be developed as part of the transportation planning process for Federal Lands projects. The attached spreadsheet contains an overall list of those projects that are to be undertaken within your State. This updated, mid-year TIP reflects the addition of new projects or adjustments to project schedules and budgets made by our federal land management agency partners between October 1, 2018 and April 30, 2019. This updated list will soon be placed on the EFLHD website (<http://www.efl.fhwa.dot.gov>) to provide reference and information for citizens, affected public agencies, transportation agencies, private providers of transportation, and other interested parties.

Through this transmittal, we are seeking your assistance in providing a copy of the EFLHD's FY2019-FY2022 Midyear TIP Update to your State Department of Transportation for inclusion (*as an appendix*) into their Statewide Transportation Improvement Program (STIP) and for their distribution to applicable Metropolitan Planning Organizations (MPO). If you have questions or comments regarding the contents of this Midyear TIP Update, please contact Mr. Lewis Grimm, Planning Team Leader, at (703) 404-6289 or Lewis.Grimm@dot.gov. Thank you for your assistance.
