Dear Mr. Gillispie:

This is to inform you of the approval of Amendment #12 to the FY 2018 – 2021 Transportation Improvement Program (TIP) and the KYOVA 2040 Metropolitan Transportation Plan (MTP) at the KYOVA Interstate Planning Commission Policy Board meeting held on December 6, 2019. Amendment #12 consists of: a highway project for Greenup County, KY and transit funding change for Tri-State Transit Authority (TTA).

Public review began November 15, 2019 and concluded at the close of business on November 29, 2019, which satisfied the required 15-day public review period. The projects met the air quality/conformity requirement through the Interagency Consultation (IAC) concurrence as the IAC concurred that these projects did not require a conformity determination due to being exempt.

Hard copies of the amendment was distributed during the KYOVA Policy Board Meeting on December 6, 2019.

If you should have any questions please contact Christopher M. Chiles, Executive Director, or me at 304.523.7434 or by email ssalameh@kyovaiipc.org.

**RESOLUTION APPROVING AMENDMENT #12 TO THE 2018-2021
TRANSPORTATION IMPROVEMENT PROGRAM (TIP) AND
2040 METROPOLITAN TRANSPORTATION PLAN (MTP)**

- WHEREAS,** KYOVA Interstate Planning Commission has been designated as the Metropolitan Planning Organization (MPO) by the Governors of West Virginia, Kentucky and Ohio for the Huntington, WV-KY-OH Urbanized Area acting through the West Virginia Department of Transportation/Division of Highways (WVDOH), the Kentucky Transportation Cabinet (KYTC), the Ohio Department of Transportation (ODOT) and locally elected officials in the KYOVA region; and
- WHEREAS,** KYOVA has adopted a 2018-2021 Transportation Improvement Program (TIP) and 2040 Metropolitan Transportation Plan (MTP); and
- WHEREAS,** KYTC and Tri-State Transit Authority (TTA) requested amendments to the 2018-2021 TIP and 2040 MTP: and
- WHEREAS,** the projects information was available for a 15-day public review as outlined in the Huntington, WV-KY-OH Participation Plan and is contingent upon receiving no comments; and
- WHEREAS,** the Huntington, WV-KY-OH Urbanized Area regional emissions are required for the conformity report, due to the court vacating the revocation of the 1997 8-hour ozone standard. This area is in attainment for the 2008 8-hour ozone standard; and
- WHEREAS,** the insignificance finding of the 1997 PM2.5 annual NAAQs means no regional modeling is required as the Huntington-Ashland area is in attainment for the 24-hour 2006 PM2.5 standard; and
- WHEREAS,** it has been determined by Interagency Consultation (IAC) that all proposed project amendments to the 2018-2021 TIP and 2040 MTP are not subject to conformity and therefore are exempt.

NOW, THEREFORE, BE IT RESOLVED that the Policy Committee of the KYOVA Interstate Planning Commission, at a regularly scheduled meeting on December 6, 2019, adopts the attached project list as Amendment #12.
