

PRELIMINARY ALIGNMENT

Important Project Developments Since 2018 Public Workshop

- ❖ Refined engineering design
 - Location and design of Corridor H / Local Road connections
 - Re-design of Corridor H / WV 55 east connection to include a Tuscarora Trailhead Parking Area
- ❖ Development of Wardsville Public Water Supply Protection Plan, including:
 - Coordination with the Town of Wardsville, WV DEP, and WV DHHR Bureau for Public Health
 - Installation of water source monitoring wells on Anderson Ridge and development of mitigation measures if required
 - Design and construction of highway runoff collection facilities to protect Wardsville's Source Water Protection Area
- ❖ Detailed Investigations of Historic and Natural Resources, including:
 - Revised documentation of structures and districts potentially eligible for the National Register of Historic Places
 - Surveys for endangered/sensitive species, as required by the US Fish & Wildlife Service and the National Forest
 - Coordination with Capon Valley Charolais Farms' stakeholders on conservation easement impact
