A Record of Decision (ROD) for the Kerens to Parsons Project was issued in May 2003. The ROD identified Battlefield Avoidance DF as the Selected Alternative for the Kerens to Parsons Project. A NEPA reevaluation was approved by FHWA on November 30, 2017.
PARSONS TO DAVIS PROJECT

In 2007, the Parsons-to-Davis SFEIS identified the Revised Original Preferred Alternative (ROPA) as the new Preferred Alternative for the Parsons-to-Davis Project of Appalachian Corridor H. The ROPA does not adversely affect the Blackwater Industrial Complex Archaeological and Historic District and meets the requirements of the Settlement Agreement. The SFEIS was circulated for agency and public review in February 2007. Studies will be undertaken to validate previously identified resources and incorporate changes in the project area.
