

PUBLIC INFORMATIONAL WORKSHOP

TUESDAY, MARCH 7, 2023

4:00 PM TO 7:00 PM

GILMER COUNTY HIGH SCHOOL

300 PINE STREET, GLENVILLE, WV

FOR THE

GLENVILLE TRUSS BRIDGE PROJECT

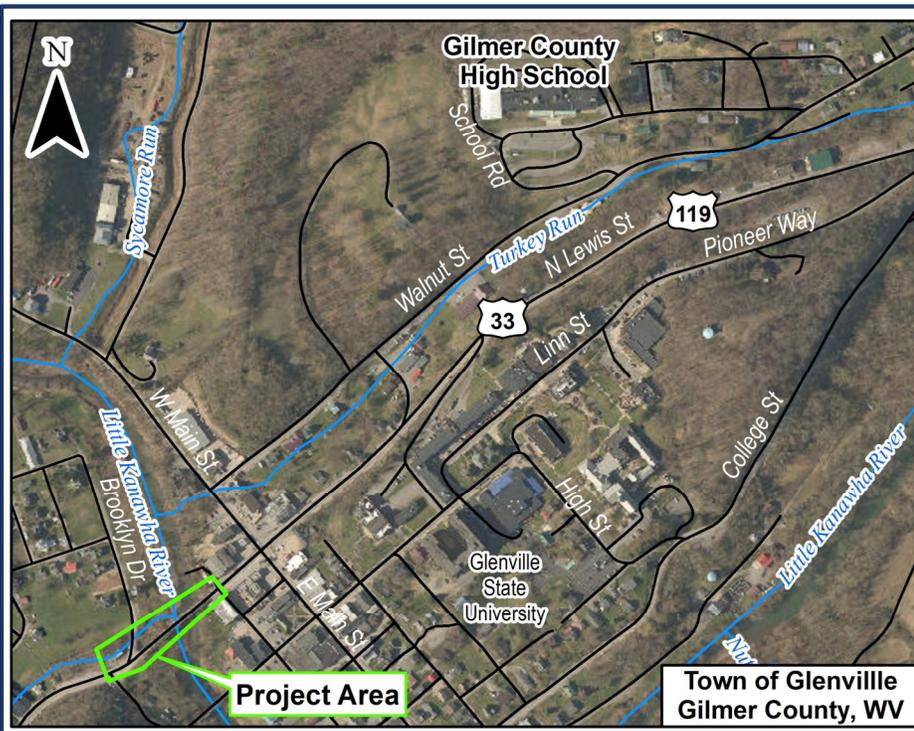

State Project S211-33-16.59 00, Federal Project STP-0033(439)D

Gilmer County, WV

The West Virginia Division of Highways (WVDOH) and United States Federal Highway Administration (FHWA) are hosting a Public Informational Workshop for the Glenville Truss Bridge Project. Join us on Tuesday, March 7, 2023, at the Gilmer County High School in Glenville.

Representatives from the WVDOH and FHWA will be available from 4:00 pm to 7:00 pm to provide information on the project and answer questions. Project maps and other materials will be available to review. **No formal presentation will be made.** Upon request, WVDOH will provide reasonable accommodations to afford an individual with a disability an equal opportunity to participate. Please contact us at (304) 558-3931, or (800) 982-8722 (voice to TTD), or (800) 982-8771 (TDD to voice).

Constructed in 1929, the existing bridge carries US 33/US 119 over the Little Kanawha River. The structure is rated in poor condition. The purpose of the project is to replace the Glenville Truss Bridge with a bridge that meets current design standards.

**WE WANT TO HEAR
FROM YOU!**

**Comments can be submitted at
the meeting or sent to:**

**Mr. Travis Long, Director,
Technical Support Division,
WVDOH, 1334 Smith Street,
Charleston, WV 25301.**
