# ATTACHMENT A

**Asphalt Materials Delivery & Labor by Location by County**  
**Addendum #1 ARFQ DOT2000000031**

To announce an addition to the Contract Specifications.  
To respond to Vendor posed questions:

Question #1 Under section 3.2.2 Shoulder Stone it states: "Shoulder Stone Placement and Stone will be paid as Item PE". How does a vendor need to bid if there are multiple locations to pick up the shoulder stone and the locations have different prices?

Response #1 The bid is requesting that Vendors provide prices by county. Detailed instructions for how to bid multiple counties are provided throughout the Contract Specifications beginning with, but not limited to, Section 2 Definitions, and Section 3 General Requirements, for example.

Question #2 In regards to Bid Item PE, Shoulder Stone Placement for Asphalt Section 307 – Class 10, in fairness to both the contractor and the Department due to the uncertainty of quantities required at each individual location it would be better to have this item structure in a tiered manner similar to items T1 through T4. Would the Department consider changing this item to mirror this pricing structure?

Response #2 Bidding for shoulder stone provision is optional for Vendors. The WVDOH Pricing Pages remain as originally submitted.

**ANNOUNCEMENT:**

The following language shall be added to the Contract Specifications, Section 4:

**NOTE: ALL PRICE ADJUSTMENTS MUST BE INVOICED SEPARATELY FROM THE Pricing Page CONTRACT ITEMS.**

# PURCHASING AFFIDAVIT

**CONSTRUCTION CONTRACTS:** Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

**ALL CONTRACTS:** Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

**EXCEPTION:** The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

**"Related party"** means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.
