Comments: Hello,
 Please note that I have bid 2 (TWO) different lifts here. The primary bid is the Bendpak HDS27 with a quantity of 2 (TWO) 15,000 lb. Rolling Jacks. This does NOT satisfy the domestic steel requirement of West Virginia, but our company assumes that since you bid this model, you understand that.
 The alternate that we've bid is the Challenger 4030SFX with a quantity of 2 (TWO) 15,000 lb. Rolling Jacks. This SATISFIES the domestic steel requirement of West Virginia. I have included pricing in both the comments section of the alternate as well as the pricing excel sheet, which I have attached. If you have need any additional information please feel free to contact me.
 Thank you,
 Paul
