Re: Proposal For Substance Abuse / Employment Screening Services

Dear Whomever:

Professional Nursing Service, Inc., proposes to assume total responsibility for screening, chain of custody processing, laboratory analysis, medical review and provide reporting services for your company's substance abuse testing program.

The scope of this proposal will apply to all of your company locations throughout the country. Testing will be provided under the following circumstances:

- a. Pre-employment testing
- b. Random testing
- c. Reasonable suspicion testing
- d. Return to duty and follow up testing on a required basis, and
- e. Regulatory commercial drivers license requirements (DOT testing and program management.)

A detailed proposal is provided as an attachment to this letter.

Sincerely yours,

Derek Walls

"Absolute Assurance"
for your
Workplace Substance Abuse Needs

Agreement

Professional Nursing Service, Inc. agrees to provide substance abuse testing and related services to J & R Landscaping & Tree Experts (Company Name) hereafter referred to as the Company, and as the Company has requested such services on this the 17 day of AUGUST, 2000.

The Company agrees to pay for the substance abuse testing and related services set out in the proposal; PNSI shall promptly bill the Company for the sums due and the sums shall be due upon receipt of the invoice. All unpaid balances, after 30 days, shall accrue interest at a rate of 1.5% per month.

The Company agrees to notify PNSI sites, if utilized, for appointment times.

The Company agrees to adhere to the HIPAA, State and Federal regulations pertaining to their Substance Abuse Program needs. If the Company becomes noncompliant, the Company will be removed from our program and that will terminate this agreement.

PNSI will e-mail all results to your designated employer representative. The Company will need to provide the name, code name, and e-mail address to which results are to be sent. The Company shall assign an alternate in case of absence or illness.

The Company shall notify PNSI if it has not received communication in a timely manner, as PNSI will not be able to determine if such has been received. This is due to the fact that technology has not yet been provided that would allow for acknowledgment. For example, if the company was expecting test results within three days and none had been received, the company representative would contact PNSI and PNSI would investigate. PNSI could determine from the program history data that the results were or were not E-mailed from
