Any waiver must be expressly stated in writing and signed by the waiving party.

25. SUBSEQUENT FORMS: The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the Agency or Purchasing Division such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. 40. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

a. “State Contract Project” means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.

b. “Steel Products” means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:

c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or

d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

41. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a “substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the

item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

42. PROHIBITION AGAINST USED OR REFURBISHED: Unless expressly permitted in the solicitation published by the State, Vendor must provide new, unused commodities, and is prohibited from supplying used or refurbished commodities, in fulfilling its responsibilities under this Contract.

43. VOID CONTRACT CLAUSES – This Contract is subject to the provisions of West Virginia Code § 5A-3-62, which automatically voids certain contract clauses that violate State law.

Overtime hours 75 to 99 will be charged as the work week hourly rate plus 50%.

Once hour 100 of overtime is reached, a new Lease/Rental work week begins at the normal weekly rate.

5.4.3 Any Lease/Rental hours equal to or greater than the 217 hours in a month shall be charged using the appropriate workday or work week rates, whichever is less.

5.4.4 Any overtime rates bid other than those stated in the Section 5.4 subsections will not be accepted and could result in the disqualification of the Vendor's bid.

6. CONTRACT AWARD:

6.1 Contract Award: The Contract is intended to provide Agencies with a lease/rental price on all Contract Items. All qualified responsible Vendors shall be awarded a contract for those Contract Items bid which meet all mandatory requirements of this Contract.

6.1.1 Determining Low Bid Per Project: To determine the low bid vendor for individual projects, the WVDOH District Engineer or their designee will calculate the lowest overall total cost of the Contract Items required for individual projects. A written ADO will be issued to the Vendor with the lowest overall total cost.

WVDOH reserves the right to request any one or combination of Contract Items for which bids are awarded at the lowest overall total as set forth in this section.

6.1.2 ORDER EXAMPLE: The WVDOH needs a Large Crane Lease/Rental with Operator for a project requiring a crane capable of lifting 200 Tons.

Proximity to the jobsite may work to the Vendor's advantage or to their disadvantage when calculating mileage. For the purposes of this example, each Vendor's base location is 10 miles away from the WVDOH jobsite for a total of 20 miles roundtrip.

The following is an example of bids received from Vendors for the Large Crane Lease/Rental with Operator for an All-Terrain Crane in the 200-250 ton range:

To determine the lowest bidder, the WVDOH must carefully anticipate the dates and length of time that they will require the Large Crane with Operator.

For this example, below is a schedule of the WVDOH’s anticipated Large Crane with Operator project needs:

Figure 6.1.2-2

MON	TUE	WED	THU	FRI	SAT	SUN
	1	2 Assembly Day	3 First Day of Use Lease/Rental Day 10 hours	4 Idle Machinery Rental Day 7 hours	5 Idle Machinery Rental Day 7 hours	
6 Lease/Rental Day 10 hours	7 Lease/Rental Day 14 hours	8 Lease/Rental Day 10 hours Overtime begins after 2 HRS	9 Lease/Rental Day 10 hours	10 Lease/Rental Day 10 hours	11 Idle Machinery Rental Day 7 hours	12 Idle Machinery Rental Day 7 hours

To determine the low bidder, the WVDOH will calculate the Large Crane Lease/Rental rate, both weekly and monthly for this example. WVDOH also calculates in the Idle Machine Rental rate and Overtime rate, roundtrip Mileage, Assembly fee and Disassembly fee for each Vendor.

Figure 6.1.2-3 Weekly Rate Calculation is an example of the WVDOH’s calculation used to determine the low bid Vendor for this example. Per Section 7.3, to ensure the WVDOH is receiving the lowest rate, the weekly and monthly calculations should be completed, and the lesser rate applied.

Week 1 of the Lease/Rental period would run from Friday, the 3rd (first day of use) through the next 7 calendar days, as described in Section 3.2.5 Lease/Rental Period. The Week 1 Lease/Rental will end on Thursday the 9th. The total hours for Week 1 are 68 hours: **36 hours** at the Weekly Lease/Rental rate, **14 hours** at the Idle Machinery Rental rate, and **18 hours** at the Overtime rate. To calculate the overtime rate, it is first necessary to calculate the weekly hourly rate.

The Monthly Rate Calculation provides WVDOH with the lowest possible rate, and per Section 7.3, Invoicing, shall be the rate used for this project (length exceeds one week but is less than one month). In both the weekly and the monthly calculations, Vendor red is the low bidder. The monthly rate shall be used for this project.

6.2 Pricing Pages, Attachment A (“ATT A”): Vendor shall complete the Pricing Pages by providing a bid price for each Contract Item listed. Vendor may bid any or all Contract Items. Vendor shall factor into their bid prices all equipment, materials, delivery, and labor required to provide Contract Items. Vendor shall complete the Pricing Pages for each Contract Item bid in their entirety as failure to do so may result in Vendor’s bids being disqualified. All bids or pricing submitted shall be held and honored by the Vendor for 90 days after the bid opening date.

6.2.1 The Pricing Pages contain a list of the Contract Items with no guarantee that any Contract Item will be purchased throughout the life of this contract. Estimated quantities are not available. No future use of the Contract or any individual item is guaranteed or implied.

6.2.2 Vendor should type or electronically enter the information into the Pricing Pages spreadsheet to prevent errors in the evaluation. In most cases, the Pricing Pages are available in wvOASIS within the solicitation attachments, however, Vendors may request an electronic copy of the

REQUEST FOR QUOTATION
Large Crane Lease/Rental with Operator

Pricing Pages spreadsheet for bid purposes by sending an email request to the following address: DOTProcurement@wv.gov.

6.2.3 Changing a column or row description, Contract Item description, or unit of measure on the **Pricing Pages, Attachment A (ATT A)**, shall result in the disqualification of the Contract Item bid on the altered line. In circumstances when all Contract Items must be bid for bid evaluation and contract award, the disqualification of any Contract Item will result in the disqualification of the entire bid.

Submitting Pricing Pages other than those provided with this solicitation, as described in Section 6.2, shall result in the disqualification of the Vendor's bid in its entirety.

Vendor entries of bid prices or other notations made in wvOASIS commodity line descriptions will not be considered for bid evaluation or award.

6.2.4 Description in Vendors Billing System: Vendor should list the description of Contract Items as they will appear on the Vendors future invoices under this contract, if the vendor's description differs from the description listed on the Pricing Page (ATT A) with the solicitation. Providing this information with the bid facilitates future payment processing.

6.3 Contract Award Transition: Upon award of this contract, the WVDOH Operations Division will announce the effective date of use of this contract to the Districts and the Vendors, whether it is by the effective date, the completed and encumbered date, or an established date by the WVDOH. Upon the announced effective date of use, any order issued prior to the award of the contract shall remain in effect and should not be cancelled until that order is filled; however, after 10 working days of the Districts and Vendors notice, any order that has not been completely filled by the Vendors shall NOT be completed and a cancellation notice will be sent to that Vendor from the issuing District for cancellation of the balance of that order only. No orders from prior contracts should be held open by the Districts or Vendors longer than 10 working days after the effective date of use is announced for the new contract.

7. ORDERING AND PAYMENT:

7.1 Ordering: Vendor shall accept orders through regular mail, facsimile, email, or any other written forms of communication. Vendor shall maintain and keep current its phone numbers, fax number, email address, locations, and ordering/billing/payment addresses with WVDOH and in wvOASIS. Vendor may, but is not required to, accept online orders through a secure internet ordering portal/website.

REQUEST FOR QUOTATION
Large Crane Lease/Rental with Operator

If Vendor can accept online orders, it shall include in its response a brief description of how Agencies may utilize the online ordering system. Vendor shall ensure that its online ordering system is properly secured prior to processing Agency orders online.

- 7.2 Agency Delivery Order (“ADO”):** District personnel must issue an ADO from wvOASIS for specific quantities of materials based on each project’s requirements and detailing the need and location information of work to be completed per Contract Items, as well as the start and end dates, which will become the agreed upon official start and end dates. The ADO must be created in wvOASIS and approved to “Final”, prior to placing the order with the Vendor. The District is responsible for creating the ADO in OASIS and is required to submit the approved order, in writing, directly to the vendor via mail, email or fax. **Verbal communication with the Vendor is not considered an official order.** In the event the Vendor denies an order or if there are changes to an ADO, the District must process a change order to the approved ADO issued from wvOASIS.

Emergencies shall be prominently noted on the ADO. Once complete, the ADO shall be sent to Vendor via fax, email, or mail.

- 7.2.1 Lead Time:** The WVDOH should plan accordingly to allow the Contractor a minimum of 30 calendar days prior to the date of the agreed upon start date on the ADO to allow Vendor to mobilize and begin work.

7.3 Invoicing:

- 7.3.1** If the Vendor and WVDOH District Engineer determine that more than one Large Crane with Operator is needed in order to meet the needs of the WVDOH project, the Vendor may assess separate Assembly Fees, Disassembly Fees, Mileage, and Lease/Rental fees for each large crane ordered.

If the Lease/Rental end dates are the same for all large craned ordered, they may be listed on the same invoice and paid together. If the Lease/Rental end dates differ, they should be invoiced separately, as each crane Lease/Rental is completed.

- 7.3.2** Invoicing shall be at a minimum of no less than one (1) lease/rental day. Equipment lease/rented for one (1) lease/rental day shall equal four (4) or more hours as described in Section 3.2.5 of this contract.
- 7.3.3** Equipment rentals/leases of seven (7) calendar days or less shall be invoiced at the daily lease/rental rate.

REQUEST FOR QUOTATION
Large Crane Lease/Rental with Operator

- 7.3.4** Equipment leased/rented for more than one (1) lease/rental week, but less than one (1) lease/rental month shall be invoiced at the monthly lease/rental rate or the number of lease/rental weeks times the weekly lease/rental rate including any period less than a multiple of seven (7) days, whichever is less.
- 7.3.5** Equipment rentals/leases of one Lease/Rental month or more shall be invoiced at the monthly rate. If the Lease/Rental period is not a multiple of 30 Lease/Rental days, each day in excess of the multiple shall be evaluated as one-thirtieth of a Lease/Rental month.
- 7.3.6** An invoice submitted to the WVDOH shall include the following:
- a) The beginning date and the ending date of the Lease/Rental period.
 - b) The number of Lease/Rental days in the invoicing period.
 - c) The number of Idle Machine Rental days in the invoicing period.
 - c) The number of Overtime hours in the invoicing period.

The owner may obtain this information sooner by calling the WVDOH District that is Leasing/Renting the equipment.
- 7.3.8** The period of need for Lease/Rental equipment as specified on the Delivery Order is only an estimate of need and shall not be used for invoicing purposes. Payment shall only be made for actual Lease/Rental days.
- 7.4 Payment:** Upon completion of the work indicated on the ADO, Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. The State of West Virginia currently utilizes a Purchasing Card program, administered under contract by a banking institution, as well as Electronic Funds Transfer as methods to process payment for goods and services. The Vendor shall accept the State of West Virginia's Purchasing Card and Electronic Funds Transfer for payment of orders under this Contract. Electronic Funds Transfer for payment is available through the WV State Auditor's Office. The Vendor may visit the WV State Auditor's website (wvsao.gov) for all necessary forms and instructions. 8. PROJECT ACCEPTANCE, DELIVERY AND RETURN:

- 8.1 Project Acceptance and Written Verification of Receipt:** Upon receipt of a WVDOH ADO, the Vendor shall perform a site appraisal and provide a quote, identifying any Special Site Preparation Work which may be required for the Large Crane's assembly and use, within 10 calendar days. The Special Site Preparation quote and project quote shall be offered to the WVDOH in writing. The WVDOH Engineer or their designee will review the quote and proposed Special Site Preparation Work. **Vendor must provide written acknowledgement/acceptance of any ADO and any Revisions/Modifications thereto sent by WVDOH within 10 calendar days of receipt. Failure to provide the WVDOH with written acknowledgement of any ADOs/Revisions within 10 calendar days of the Order being sent shall be considered refusal of the ADO.** In the event of refusal, the WVDOH at its own discretion shall cancel the ADO and may seek to obtain the goods or services from the next low bid Vendor or proceed with an emergency purchase from the open market.
- 8.2 Negotiation of Dates:** The WVDOH shall have the option to negotiate with the Vendor, the project's tentative start and end dates. **Project work shall be continuous to completion unless otherwise approved in writing by the WVDOH District Engineer or their designee.**

Any changes must be communicated by the Vendor in writing to the WVDOH District Engineer or their designee. The Vendor shall work in an efficient manner in effort to keep traffic delays to a minimum and traffic must be adequately and safely accommodated. Vendor shall ship/provide all orders in accordance with the dates assigned to each project per the ADO and shall not hold orders until a minimum delivery quantity is met. **No Vendor is authorized to ship project related goods or begin work/services, nor is the WVDOH authorized to receive materials, prior to the issuance of an ADO.**
- 8.4 Adverse Weather Conditions:** Unsuitable/adverse/inclement weather conditions may dictate the work schedule. It is preferred that operations be suspended immediately when an inclement weather event begins or if the WVDOH District Engineer or their designee determines that an inclement weather event is imminent. If working conditions are dangerous or unsuitable for the WVDOH, Vendor, or general public, work shall be suspended by the WVDOH Engineer/designee. If needed, revision to the project's start and end date may be negotiated by the Vendor and the WVDOH Engineer/designee. After a weather-related suspension of work, the WVDOH District Engineer or their designee shall determine and convey in writing, ADO changes and when work shall commence/resume, followed by the Vendor's written acknowledgement, per
