

WEST VIRGINIA DIVISION OF HIGHWAYS
MAINTENANCE MANAGEMENT SYSTEM PERFORMANCE STANDARDS
STUDY GUIDE
GROUP V ROADSIDE MAINTENANCE
Activity 301 - 317

#	ANSWER	QUESTION
1		True or False? When working under Activity 301, Flagger hours should be charged to Activity 813.
2		Which Activities should be completed before performing work under Activity 303?
3		Two tractors working under Activity 303 mow both sides of a two lane road between Milepost 2.0 and 6.0. How many shoulder miles of accomplishments should be reported for that day?
4		True or False? When cutting brush with an extension arm (boom) mower, it is acceptable to cut brush and trees less than 5" in diameter.
5		Under Activity 317, what is the minimum height that grass should be mowed? Is this different than Activity 303?
