

**WEST VIRGINIA DIVISION OF HIGHWAYS**  
**MAINTENANCE MANUAL**  
**STUDY GUIDE**  
**CHAPTER 19**

#	ANSWER	QUESTION
1		What is a UST?
2		True or False: When permanently closing an UST, the tank must be emptied.
3		When removing a tank, vapors can be rendered inert by using what? (hint: 1.5 pounds per 100 gallons is the usage rate)
4		True or False: Fiberglass tanks are approximately 1/4 the weight of a comparable steel tank.
5		What is the fill cap color code for diesel fuel? For kerosene? For unleaded gasoline?
