INSTRUCTIONS FOR COMPLETING APPLICATION FOR WEST VIRGINIA TRANSPORTATION ENGINEERING TECHNICIAN CERTIFICATION

Please Note: You MUST submit your employment history on this form. Resumes or other printed job descriptions will not be accepted.

1. If you are applying for Level I, Option 1 you must include copies of your Math placement scores if applicable. To qualify for Level I, Option 1, you must include one of the following Math placement scores:

ACT 14; SAT 320; COMPASS Math 17; a minimum of 263 on the Next Generation Arithmetic placement or passing DOP Exam.

- 2. If you are requesting to be evaluated to the next higher level, you will need to document your <u>technical</u> experience and advancement courses completed since your last certification. If you are applying for Level III Option 6, include two professional reference letters with contact information and supervisory duties listed. Be sure to include all required documentation such as:
 - A copy of your most current Transportation Engineering Technician certificate,
 - Copy of Board letter advising what is needed to advance,
- Technical experience since last certification. This experience should show the dates of all changes in **classification** and responsibility,
- An official college transcript (if claiming additional TDHs). An official transcript is a printed record of a student's academic history, issued by the College/University Registrar, that is stamped and/or marked "Official" and is enclosed in a sealed envelope marked "Unofficial if Opened". An official transcript is required for the initial review and once an applicant has obtained the AAS degree. An unofficial transcript may be accepted for other reviews.
 - A Pattern Sheet if enrolled in Bridge Valley Community & Technical College.
- All required signatures-if you are unable to obtain signatures, please call 304-414-6836, for further assistance.

Section III: Employment History:

List all <u>technical</u> experience since last certification. Start with your current or most recent job and describe your duties in chronological order. In order to get full credit for advancement you must demonstrate progressive work experience. A definition of progressive technical work experience is posted on the Board's website. Therefore, clearly show the dates of employment for every change in job **classification** or change in responsibility, even with the same employer. Attach additional copies of the Employment History Sheet if necessary. You MUST submit your employment history on this form. Resumes or other printed job descriptions will not be accepted. If you are applying for Level III Option 6, include two professional reference letters with contact information and supervisory duties listed.

Section IV: Documentation of Academic/Advancement Courses:

The only advancement TDHs that are accepted after August 1, 2008 are courses accepted in the AAS HET degree, therefore you must write "see official transcripts" in this section and request an official transcript to be sent to the Board. You should list only the courses you have completed since your last certification in this section.

Application:

All applicants, except WVDOH employees, must include payment for **each** application submitted of \$100.00 prior to Board review. The Board will not process your application until all fees are paid in full. WVDOH employees who are revoked or have incurred late fees are personally responsible for all associated fees. Please make checks out to: Division of Highways TRET.

NOTE: The \$100.00 application review fee will be waived for all college graduates that apply within one year of graduation.

If you are applying for Level III Option 6, include two professional reference letters with contact information and supervisory duties listed.
