**Legal and Regulatory**

1. Nothing contained herein shall be construed to abrogate or affect any lawful ordinance, regulation, or resolution, which is more restrictive. (CSR 157, Series 6, Section 7.4.C.1) This is not a building permit. It is the responsibility of the Applicant to comply with any local ordinance, regulation or other requirement prior to erecting the structure.
2. All signatures, on all portions of the original permit application shall be original signatures and in ink. Stamped signatures are not acceptable.
3. Only State Route Numbers may be used on this form, where applicable.
4. Submit an original and one (1) copy of the permit application. Include all attachments with the original application and the copy of the application.
5. Applications for permits shall be made to the WV Division of Highways, Traffic Engineering in Charleston.. Each permits application shall be accompanied by an application fee (posted on WVDOT website) made payable to the *WV Division of Highways*. Permits shall be renewed annually by June 30<sup>th</sup> of each year, following the year of issuance.
6. Signs shall be built as permitted based on the linear dimensions indicated on this permit. Cut-outs or embellishments are not allowed unless they are specifically provided for in this permit and can be accomplished within the dimensional requirement previously stated. A detailed plan for such construction must be submitted along with this application.
7. Signs shall also be located in the exact location for which they are permitted. If there are any discrepancies, it shall be the responsibility of the sign owner to correct the location within thirty (30) days of notice by WVDOT at his/her own expense. Failure to comply with the location of the permit may result in the revocation of the same.
8. The permit identification tag shall be attached to the first sign support and must be clearly visible from the main traveled roadway. It shall remain clear of vegetation, paint or any other obstruction that would obscure its view.
9. All signs or proposed locations for a sign under application shall be clearly staked before being inspected by WVDOT.
10. All Outdoor Advertising signs, displays, or devices shall be removed by the Permittee within thirty (30) days after the date of expiration or revocation of the permit for same.
11. Construction of the sign structure and sign face must be completed within twelve (12) months after the date of issuance of the permit. The division may cancel permit (s) and forfeit fees if construction not completed twelve (12) months.
12. The Permittee shall provide notice of completion to WVDOT within ten (10) days of completion of construction of a permitted sign. The notice shall include an electronic photograph of the sign as viewed from the main travelled way of the roadway from which the sign is permitted, and an electronic photograph showing the permit identification tag and where it is affixed to the structure.
13. Permittee shall not use the Department's right of way while erecting or maintaining the sign.
14. It shall be cause for WVDOT to revoke a sign permit or refuse to issue a sign permit if any of WVDOT's property on the rights of way, including but not limited to trees, vegetation, or fences, is destroyed, damaged, converted, or altered by or on behalf of a person, firm, or corporation who owns, erects, maintains, leases, or uses any permitted outdoor advertising sign or structure.
