Clifford Family Memorial Bridge (Dry Creek Bridge)
 STATE PROJECT: S313-60-41.35 | FEDERAL PROJECT: STP-0060(326)D

This detour would utilize the existing routes of US Route 60, West Virginia CR 60/14 and I-64, and Jerry's Run Trail, Exit 1 in Virginia, to maintain vehicular access from one end of the bridge to the other end during construction. No improvement to the existing detour route is anticipated. Several local detours are available in town to vehicular traffic, both upstream and downstream of the existing bridge.
