

# Public Meeting

## Eastwood Elementary School – 677 201<sup>st</sup> Memorial Highway Morgantown, West Virginia Monday, May 13, 2019 – 4:00 to 7:00 PM

The West Virginia Division of Highways (WVDOT) is conducting this informational workshop public meeting to discuss preliminary environmental investigations and engineering for the West Run Road Project between Stewartstown Road and US 119 in Monongalia County. This meeting complies with the public involvement requirements of the *National Environmental Policy Act* (NEPA) and Section 106 of the *National Historic Preservation Act*. You are encouraged to examine the boards showing the preliminary design concept and discuss the project with members of the study team.

### Project Description

The project consists of the widening of West Run Road and related intersection improvements in Monongalia County, West Virginia. The project is approximately 0.86 miles in length and is located along County Route 67/1 (West Run Road) between CR 67 (Stewartstown Road) and US Route 119 (Point Marion Road). The project also includes approximately 600 feet along CR 67 (Stewartstown Road) to extend the northbound right turn lane at West Run Road, and approximately 1,300 feet along US 119 (Point Marion Road) for the addition of a left turn lane and to improve the sight distance at West Run Road. In addition, the project includes the replacement of the existing bridge on West Run Road with a Precast Reinforced Concrete Box culvert.
