# US 48 Controlled Access Break at the WV 55 Interchange at Moorefield

## OPEN HOUSE MEETING PURPOSE

The purpose of this Informational Open House Public Meeting is to provide information on the proposed US 48 Control Access Break, and how you can provide your comments. The open house meeting is intended to be informal to maximize the interaction between the citizens and project team. This Open House Public Meeting complies with the public involvement requirements of the National Environmental Policy Act (NEPA) and Section 106 of the National Historic Preservation Act.

We encourage you to examine the project maps and displays, discuss the project with the members of our project team who are here today, and complete the enclosed comment sheet.

## OPEN HOUSE MEETING FORMAT

The WVDOH procedures for open house public meetings are established to ensure meaningful citizen input in the development for proposed projects, in compliance with all applicable regulations and requirements. This informational open house meeting is from 4:00pm to 6:00pm and there will be **NO FORMAL PRESENTATION**.

### Registration

If you have not already printed your name and address on the registration sheet, please remember to do so before you leave. Additional copies of this handout and the comment sheet are available at the registration table. The WVDOH welcomes your comments on the project; therefore, please feel free to write comments as you visit other displays around the room. You can drop the completed sheet in the Comment Box; return it to any WVDOH representative at the meeting, or mail it to the WVDOH at the address below or on the WVDOH Website at <http://go.wv.gov/dotcomment>, under Engineering Projects/US 48 Controlled Access Break.

## PROJECT DESCRIPTION

The purpose of the project is to open the controlled access at the WV 55 Interchange. This access is on US 48 and will have a public benefit by accessing property of the Hardy County Rural Development Authority (HCRDA) to allow the development of jobs for the area. The HCRDA is working with the adjacent property owner; Fort Pleasant Farms, Inc. for the development of the property.

The access was not originally included in the Corridor H project due to the proximity of the Middle South Branch Valley Rural Historic District.

## CURRENT PROJECT SCHEDULE

**Information Open House Public Meeting.....June 10, 2015**

**Open House Public Meeting Comments Due By.....July 10, 2015**
