PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

**Asphalt Materials, Delivery & Labor by Vendor by County

To answer vendor posed questions.

Question #1: Do the specifications specify what plant I have to pull from?

Response #1: The specifications do not specify what plant the vendor must to pull from, however, per Section 3.3.1. "All materials used on this contract shall be from WVDOH Approved Sources/Plants, as amended." Each set of **Pricing Pages (ATT A)** require a corresponding **Asphalt Plant Location Information Form (ATT C)** and **Stone Plant Location Information Form (ATT D)**. The Vendor specifies on these forms which counties their named plants will service. The Vendor may choose which plant to use to fill orders from of those available for the county bid, however, mileage paid will be calculated from the plant location closest to the mid-point of the WVDOH project site.

Question #2: Can I list all of our plants under one pricing and then I have the option on what plant to pull from?

Response #2: Yes. Please see Response #1 above, as it addresses this question as well. Additional information on this topic is also available in Section 7.2, Pricing Pages and Plant Information Forms, in the Contract Specifications.

Question #3: On Items U&V they refer to Item S – Pavement Repair.....should they be referred to Item T Asphalt HPTO

Response#3: The Contract Item Descriptions for Contract Items U & V on the Pricing Pages (ATT A) cross referenced Contract Item S, in error - Contract Item T should have cross referenced (HPTO).

Similar corrections have been made to the Contract Item Descriptions for Contract Items G & R as well. This has been corrected on the revised Pricing Pages, Attachment A (ATT A), in red text.
