-MCS&T will be using both SI Units & English Units

MP

Old Business Items

106.10.50 Attachment **Voted & Passed**

- Deleted line that could be misinterpreted MCS&T does not allow contractors to low bid to avoid Buy America requirements. If DOH does not comply FHWA will not pay on the material.

106.10.50

-Major question for FHWA, does the original manufactured materials waiver still stand; if it does we will have to revise our list of Buy America materials.

-Janie Section commented section 7 incomplete will continue to work on.

-Bill Murray commented we should type out Certificate of Compliance through document.

601.06.52 **Voted & Passed**

-New computer generated chart to replace the example that had been scanned in. Subsection numbering update.

106.03.50 **Voted & Passed**

-Change to Chief Engineer instead of State Highway Engineer.

-Haw Chen & Jannie had several editorial comments.

604.02.40 **Voted & Passed**

-Andrew Thaxton commented on discussion with Dan Brayack and Suman over the inclusion of the penalty for noninspected materials

700.00.53 **Voted & Passed**

-Dan mentioned Haw Chens comments that the District Materials supervisor will review the nonconformance material report and approved by District Engineer within 30 days.

700.00.56 Voted & Passed

- Dan mentioned Haw Chens comment that MCS&T should be notified when a IA sample needs to be taken

700.00.54 Voted & Passed

- Dan Brayack commented on Howels submitted comment that Contractor does 10 tests DOH does 1 test these are called similarity tests. District Materials Supervisor procedure for similarity assessment when less than 10 samples are available.

715.28.50 Voted & Passed

-Dan Brayack said that Jonathan Baily submitted a document used by them to replace the existing outdated version of the form.

661.02.40 Voted & Passed

-Minor editorial changes; formatted references; no further comments.

Editorial Items

-All MP's had SI units added; and Dan rounded the conversion to the most significant digit following the ASTM.

-Jannie comment All DOT to DOH

401.07.21 Voted & Passed

700.04.10 Voted & Passed

711.00.20 Voted & Passed

711.20.59 Voted & Passed

714.03.30 Voted & Passed

New Business Items

100.00.00

-Dan comment updated to mandate SI and English Units

-Must stick to one unit system

-Venice commented ASTM leaves the year off ASTM; and we should too.

-Changed references to Chief Engineer
