

MP Committee Meeting Notes

July 25, 2018

Next Meeting Sept 13, 2018

109.00.10 – Discussion about Non-testing charges, with questions from Pat Parsons about DOH losing test results. Resolved that this is for QC not QA. Talk about dispute resolution etc.

703.00.22 – Sodium Sulfate – second time to committee, needs some polishing, but in good shape and possibly ready to vote at next meeting.

700.00.06 – Sampling – Aggregate, - some discussion about referenced documents – Voted 5-0 approve.

700.00.50 – Small Quantities – wrong version, perhaps bring to next meeting

717.04.21 – Large edit of Compaction MP – by Joe Carte. Including update of chart etc. 1st time at Committee, to be brought again to next meeting, no vote here.
